CHRISTMAS TIME IS HERE

This means schedule changes! Keep reading!!

Our Friday group lunch will be postponed throughout the month of December. We will be using the kitchen for baking cookies, decorating cookies, making holiday themed snacks, and baking ornaments. Please join us!!

Also our Friday afternoon music class is postponed throughout the month of December. Never fear it will return in January! We will be learning to play along with Christmas and other holiday songs throughout December.

Everyone at DC hopes you had a great Thanksgiving and enjoyed the snow day we had! November saw us moving indoors more as the cold weather came. Recently we went to The Festival of Trees in Liberty Hall. It is open through the weekend if you haven't been. Over 50 decorated Christmas trees!

Our beauty and self care skills class continues to be a huge hit. We do hair, paint nails, make lotion bars, make lip balm, and give manicures. We will bring this class back in January as well! Until all your favorite classes return, join us for brand new classes and maybe even come away with a new favorite class!

UPCOMING HOLIDAY DATES
