

**JOHNSON COUNTY DAY SERVICES
JANUARY 2019**

JC Newsletter

The new year has arrived along with a new calendar! Community outings are going to be a blast. We will be swimming, bowling, exploring museums, enjoying downtown, and more! Art class, music therapy, cooking class, exercise class, and dance class will also take place at the day center. We are excited for all of the new classes to begin!

If you are interested in joining any activities please RSVP to sydneywilson@clokan.org

Hello. I am Sydney Wilson. The new day services director, and my goal is to make everyone walk out of the center smiling. Sewing, painting, cooking, and crafts are what I love to do in my spare time. I am now excited to get to do what I enjoy most everyday at work.
