Curriculum

Creation Series – Each week we will be creating items to sell in the Country Store at MNF!

So You Think You Can Dance? – We will work on specific dances and dance moves each week! From line dancing to hip hop and salsa dancing – you will not want to miss this!

Culinary Arts – Each week we will shop and cook meals for ourselves! No sack lunch is needed on this day.

Service Project – Our latest community service project! Each week we will focus on giving back to our partner – the CLO office in Lenexa!

The Sound Of Music – Each week we will practice the different sounds of music. From keeping a beat while drumming to strumming a guitar!

Pop Up Fashion – We will be creating different pieces of fashion each week! Once we have created it the following week we will be practicing our runway walk!

Exercise This – We are getting active! Join us for yoga, basketball, football, baseball and more each week!

Gather and Garden – Our garden needs us! We will practice gardening in our own backyard and prepare it for the fall!

If you want to join an activity or outing, please RVSP to Laura Williams (913) 271-2058 or laurawilliams@clokan.org.
