## KANSAS CITY HERE WE COME

*Ready to take in the sights and the sunshine, Rise took a spin on the Kansas City Streetcar, toured Union Station, and had lunch at The River Market.*

## GREEN THUMBS

*Rise planted their very first garden at the end of April. We are hoping for a bountiful harvest so the Rise group can learn to can their own produce.*

## SPOTLIGHT

*David is our May spotlight member. David lives in the Johnson County Neighborhood Network. David enjoys drawing, documentaries, dinosaurs, and time with his nephew. We are thrilled to have David with us at Rise!*
